Professional Summary

Computer Engineering student with hands-on experience in developing web applications using modern technologies and a strong foundation in cloud computing and software engineering. Passionate about building scalable applications, solving real-world problems, and continuously improving technical skills through projects and practical learning.

Education

GLS University, Faculty of Engineering Technology

Ahmedabad, India

Bachelor of Technology in Computer Science Engineering

2023 – 2027

Relevant Coursework: Data Structures, Algorithms, Machine Learning, Deep Learning, Database Management Systems, Cloud Computing

Seventh Day Adventist Higher Secondary School

Ahmedabad, India

Higher Secondary Education

Projects

WiseWallet – Personal Finance Web Application

React.js — Node.js — MongoDB

- Developed a personal finance web application enabling users to manage expenses, budgets, savings, and financial goals.
- Implemented secure user authentication and integrated MongoDB with Mongoose for efficient data storage and retrieval.
- Built interactive dashboards and financial visualizations using Recharts to help users analyze spending patterns.

Diabetic Retinopathy Detection Using Deep Learning

Python — TensorFlow — MobileNetV2

- Developed a deep learning-based web application for automated detection of Diabetic Retinopathy from retinal fundus images.
- Utilized MobileNetV2 to classify retinal images into multiple severity levels with high accuracy.
- Designed an intuitive web interface allowing users to upload retinal images and receive prediction results in real time.

Technical Skills

Programming Languages Python, Java, C++

Web Technologies HTML, CSS, JavaScript (Basic)

Databases MongoDB

Tools Git, GitHub, VS Code, Jupyter Notebook, Android Studio

Core Concepts Object-Oriented Programming (OOP), Basic Data Structures and Algorithms

AI Tools ChatGPT, Gemini, Antigravity

Certifications

- AWS Academy Graduate – Cloud Foundations

Languages

Gujarati (Native) • Hindi (Fluent) • English (Fluent)
