EDUCATION

B.Tech in Computer Science and Engineering

GLS University

2023-2027

Higher Secondary Education

Navchetan High School

SKILLS

Cybersecurity

Ethical Hacking, Vulnerability Assessment, Network Security, Bug Bounty Hunting, OSINT, Reconnaissance Techniques, Network Traffic Analysis, Anomaly Detection, Firewall Configuration, Threat Monitoring & Mitigation

Know Programming languages

Python, Solidity, Flutter, SQL, C, C++, Html, Javascript, java

Blockchain

Blockchain Technology, Smart Contract Development, Solidity

Data & Analytics

Data Analysis, Data Visualization, ETL Pipelines, Financial Analytics, Interactive Dashboards, Data Quality Validation, Reporting Automation

Databases

SQLite, Data Warehousing, Database Management, Supabase, Docker

Tools & Platforms

GitHub, AWS, Looker Studio, Kali linux tools, Jupyter notebook, Eclipse

Design & Analytics

UI/UX Design, Data Analysis, Data Visualization, Digital Marketing

PROJECTS

GhostWall Antivirus Toolkit

Built a Python-based antivirus toolkit focused on detecting and preventing malware spread through USB devices and external storage systems.

Bluestock Fintech Capstone

Built a stock market analytics project using Python, SQL, and data visualization tools to analyze financial data and create interactive dashboards for market insights.

CryptoShield Pro

Designed an industry-grade, educational cryptography suite demonstrating modern, highly secure cryptographic primitives, secure communication envelopes, and zero-knowledge storage mechanisms.

Track My Cash

Created a Flutter application to track daily income and expenses with monthly financial analysis and reporting features.

INTERNSHIPS

UI/UX Design Intern

Gwen

Remote
Project-Based

- Completed a project-based internship focused on user interface and user experience design principles.
- Worked on design projects applying UI/UX fundamentals to create intuitive and user-friendly digital experiences.

CERTIFICATIONS

• Junior Cybersecurity Analyst Cisco	2025
• Blockchain Professional University At Buffalo	2025
• Basics of Solidity Packt	2025
• Bug Bounty 101 Devtown	2025
• Career Path in Cybersecurity IBM Skills Build	2025
• Introduction to Cloud IBM	2024
• Principles of UI/UX Meta	2024
• Basics of Digital Marketing Google	2025

ACHIEVEMENTS

- Achieved Mastery in Blockchain Certification from Coursera.
- Complede Jr Cybersecurity Analyst learning path and technical skill development.
- Completed an FinTech project for BlueStrock Fintech.
- Successfully completed UI/UX Design internship at Gwen and received internship completion certificate.
